

## Street

Try a dance style that's up-to-date and has taken the UK by storm.

Street dance is for everyone of all ages and abilities and at Impact our classes are taught by trained professionals who know how to teach you safely and get the best out of you.

You may want to come along for fun, exercise and to try out something new but if you are interested in exams, competition, shows and other events then we are experts at all of that too! Ashford

Our Ashford classes are headed by Jess and Amy who always look forward to seeing new dancers in their classes and love working towards projects where the dancers can shine and show off what they have learnt in the past few months.
