

New To Impact?

Welcome to Impact's website which has been designed for both current members and those wishing to join us.

Our range of dance styles include Freestyle, Street, Rock'n'Roll, Ballroom and Latin, Ballet, Tap, Cheerleading, Flexi and Fitness, Popdance, Bokwa and Zumba. We have many classes covering Canterbury, Sturry, Ashford and the surrounding areas. These are fun-filled sessions where you can learn the latest steps whether it be for fun, fitness or as a serious hobby. We teach curricular and extra curricular activities in many educational schools and leisure centres.

Over the course of one week we teach in excess of 800 people. Impact have been teaching children and adults of all ages to dance since 1993. Thousands of children have benefited from attending our classes, improving coordination, balance, posture and flexibility. Dance builds confidence and helps children to express themselves. Children attending Impact learn to dance in a safe environment with fully trained, qualified, insured and CRB checked coaches. Many of our dancers attend once a week for fun and fitness, while some decide to go further and train to take part in exams, competitions, shows and other performances.

Whether children dance for fun and fitness or as a serious hobby, Impact aim to make dance more accessible as our classes are local and our payment system means that lessons are affordable. We never charge termly, but instead operate a weekly pay-as-you-go system, with no expensive joining fees or uniform costs and we do not ask for any money in advance.
